### General Information:

We have a vegetarian menu available upon request, our vegetable soups and side dishes are not seasoned with meat stocks. We have always purchased fresh and locally. In season we use produce from local farmers. We are now serving a seasonal menu for dinner. Several of those items are available at lunch by request. We are trans - fat and MSG free. Kosher salt is used for cooking.

*It has been our pleasure to serve downtown Knoxville since 1982.*
